Abbeville County Emergency Services

Abbeville County Emergency Services is currently accepting applications for 3 fulltime EMT positions on a 24/48 schedule. We are also accepting applications for full time Paramedic positions.

Abbeville County Emergency Services is an innovative and progressive service, with programs such as Community Paramedic and our "Pit Crew" approach to cardiac arrest. We are not only a clinically minded service, but we are also an employee-oriented service.

If interested, please go to www.abbevillecountysc.com under "find it here" online forms, Human Resources, and complete an application. The application can be emailed or faxed to Darren Maddox at the information listed below
