“RN CHALLENGE CHECKLIST” for EMT-Paramedic

NREMT entry requirements for Registered Nurses challenging the EMT-Paramedic Training Program

Letter of Approval

Submit a letter from the state EMS office where the applicant works or is to work. The letter should indicate the state’s support of the applicant taking the examination.

EMS Education Approval

Provide a certificate/letter of equivalency indicating successful completion of the current National EMS Education Standards.

The certificate/letter of equivalency must be validated by an educational program that is affiliated with a CAAHEP accredited paramedic educational program and is currently state approved.

Pre-requisites

Provide official evidence of current and valid registered nursing credential.

Provide official evidence of a current EMT (Basic) or AEMT (Intermediate) certification issued by the state or National Registry.

Cognitive Examinations

Must be delivered at Pearson Vue Professional Centers or Pearson Vue Select Centers

Psychomotor Examinations

All psychomotor examinations at the AEMT (Intermediate) and Paramedic levels must be administered by a National Registry Representative, appointed by the NREMT.

Entry-Requirements

All applicants must meet current NREMT entry requirements.
